

LCC: Angel of Hope Campaign 2024:

Dear Friends of the Chaplaincy,

Thank you so much for your support over the past year. The Chaplaincy exists because of the faith communities in London, and we are grateful to work together in this meaningful outreach work.

We are reaching out to you now to ask for your help in getting our winter newsletter out to our community of supporters. Our winter newsletter is one of our main communication tools. It is our opportunity to raise awareness of the Chaplaincy's activities, remind people to pray for our efforts, and ask for financial support for our year-end appeal. This appeal funds most of our winter work and certainly the prayers sustain us! We are worried that the postal strike will impact our ability to reach our supportive community at this time.

Angel of Hope Campaign:

As we reflect on the strides we continue to make; we are reminded of the continued need for support to sustain and expand our efforts. Your financial contributions at year end make a lasting impact on the lives of those we serve. As you are able, please consider making a year-end donation to our Angel of Hope Campaign. Donations can be made online at: <https://londoncommunitychaplaincy.com>.

Help us Spread the Word:

Please share our newsletter with your family and friends. Forwarding our newsletter to others is a significant way to partner with us as we invite others to "Join the Cause" here at the London Community Chaplaincy.

If you are able to support the Chaplaincy in this way, please contact us for a copy of our newsletter and we will forward it directly to you. Please contact us at southdale@londoncommunitychaplaincy.com

Looking Ahead:

Thinking and praying for you, as we head into the advent season. Thank you for being a crucial part of our community. Your compassion has made a difference, and we are deeply grateful for your ongoing support. Blessings to you all,

Rev. Pam Cullen, Chaplain & Executive Director
Jennifer Ormston, Community Engagement and Volunteer Manager
